TUCK'S POST CARD

CARTE POSTALE — POSTKARTE

Carnelian Bay is situated about 2½ miles south-east of Scarborough. It is a charming little break in the cliff line, with a tiny pebbly beach. This beach is its great attraction, for hither the visitor to the Yorkshire coast finds his way in search of carnelians, moss-agates, jaspers and other stones of a like nature which may be found when the water has receded.
